ON THE FRONT COVER . . .

A scene in the pasture at beautiful Willow Lee Farms where shade, water and lush pastures provide a perfect setting for a perfect setting for a great Shorthorn herd.

ON THE BACK COVER . . .

At beautiful Greenwood Farm. Greenwood is more than a great stock farm. Home of a noted Shorthorn herd, it is an institution with background and atmosphere.

You can't look at a picture like this without wanting to own calves out of such cows. These are four of the Greenwood brood cows. From left to right they are: Imp. Mount Secret 5th; Imp. Saltoun Roth's Queen 9th (dam of Lot 33); Greenwood Rosewood 27th, and Imp. Ballathie Rosemary 4th by the \$14,000 Bapton Uprise (dam of Lots 31 and 37).

THE WILLOW LEE KIND

This trio by Drynie Wonder won first prize in the junior get-of-sire class at the 1953 International, and were undefeated wherever shown during 1952.

THE GREENWOOD KIND

A great Greenwood pair. They won first prize in the class for pair of calves at the 1952 International. Both were sold in our 1953 auction. Left, Greenwood Rothes Queen, purchased by Hi Ho Farms, Maryland, at \$2500; right, Greenwood Craftsman, purchased by Howard Hildreth & Son, Iowa, at \$2750.

We Invite You

We cordially invite you to attend our auction sale on May 13. Twice before we have joined forces to market the productions from Willow Lee and Greenwood and, encouraged by excellent performance reports from the cattle sold earlier, we have made a supreme effort to provide an even better offering.

Although we do not wish to praise our own cattle, we are very proud of the quality and breeding of this offering, most of which were sired by herd bulls presently in service, sires that we believe to be the best that have yet been used in these two herds. We are certain that careful buyers will recognize that these are breeding cattle and not speculator cattle.

Planning this sale has covered a long period of time, and it has been a real pleasure to work together. Frequent conferences have been held, and each consignor, as well as the sale manager, has been free to criticize and make changes in order to bring about the general improvement of the offering. As a result, we agree that all of the animals are of a kind that we would gladly accept into our own herds for replacement purposes.

Whether or not you are in the mood for buying, we hope you will do us the honor of attending. We are confident that sale day guests will gain a favorable impression of the work we are doing.

OF THE MOST HIGHLY REGARDED HERDS IN AMERICA

Greenwood Farms, South Solon, Ohio — Owned by David S. Graham

Here are just a few of the imported cows at Greenwood Farms, shown with Greenwood Bombardier, one of the present stock bulls.

GENERAL INFORMATION

TIME – The sale will start promptly at 12:00 o'clock Noon, Eastern Standard Time, on Tuesday, May 13, 1958. Lunch will be served at the farm.

LOCATION – This sale will be held at Willow Lee Farm, owned by House & Benroth. The farm is located six miles east of Washington Court House and 20 miles west of Circleville, Ohio, on Federal Highway 22. We will be glad to provide transportation from either town for those who come by train or plane if advance notice is given. Two other important sales are to be held on the preceding day . . . The Teegardin Polled Shorthorn Sale at Oakwood Stock Farm, Ashville, Ohio, starting at 12:00 noon; and the Ohio Polled Shorthorn Breeders' Sale at Circleville, at 7:00 p.m. These two sales are within 40 miles of Willow Lee Farm, and we will gladly supply auto transportation to all who do not have rides.

SALE HEADQUARTERS – The Washington Hotel and the Cherry Hotel in Washington Court House are comfortable and both will be used by sale day guests. There are many fine motels in the neighborhood for those who prefer such accommodations. For reservations, please write Dr. O. W. House or Vernon Benroth, Washington Court House, Ohio.

Those who wish to secure further information about the cattle in this sale, or regarding travel or hotel accommodations, may also get in touch with Hal Longley, Sale Manager, 16 So. Locust St., Aurora, Illinois, or H. W. Walker, Indianapolis, Indiana.

AUCTIONEERS – C. D. (Pete) Swaffar and Ned W. Place.

MAIL ORDERS – Those unable to be present, and who desire to do so, may send buying orders to any of the following men: Hal Longley, The Shorthorn World, Aurora, Ill.; H. W. Walker, Eastern Fieldman, The Shorthorn World, 3906 E. 71st St., Indianapolis, Ind.; Kenneth Fulk, American Shorthorn Breeders' Ass'n, Union Stock Yards, Chicago, Ill.; Ed Huff, Eastern Fieldman, American Shorthorn Breeders' Ass'n, Culpepper, Va.; Ray Roth, Fieldman, The Breeder-Journal, Warrenton, Va.

These five heifers from the Willow Lee herd were sold in a former sale to critical buyers from four states.

TERMS and CONDITIONS

GUARANTEE – All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association, printed on page 64 of this catalog. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyer's risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

TERMS – The terms of this sale are cash unless arrangements are made in advance with the owner. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

HEALTH – Every possible precaution is used to guard the health of Greenwood and Willow Lee animals. Both herds are Federally Accredited for Tuberculosis, and the Willow Lee herd is Bangs Certified. All younger females in this sale have been calf-hood vaccinated and the health certificates provided on sale day will be evidence of a clean health record. A 60-day Tuberculin retest will be allowed and those who buy in this sale may be sure that the cattle have complied with the rigid health requirements of the State of Ohio. Health certificates will be furnished with each lot sold.

LIABILITY – Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneer, clerk and sale manager have been employed by House & Benroth and David S. Graham for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability for the contract or for any accidents that may occur. House & Benroth and David S. Graham will make every effort to provide for the comfort and safety of those attending the sale, but they can't accept liability for injuries that may occur. Accidents at cattle sales are rare, but all attending must do so at their own risk. Footnotes were written by the owners or from information provided by them.

INQUIRIES ABOUT CATTLE LISTED – The Sale Manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 South Locust Street, Aurora, Illinois.

PLEASE NOTE – Some breeding dates are given in this catalog and we believe them to be correct as of the date of printing. However, some changes may occur and it must be understood that announcements from the auction block on sale day will take precedence over matter printed in this catalog.

TELEPHONE NUMBERS – Phone calls on the morning of the sale may be made to the home of Vernon Benroth, Willow Lee Farms, Phone: Washington Court House 45272. The phone number of David S. Graham at Greenwood Farms is Hobart 28854 (through South Charleston, Ohio). The phone number of Hal Longley, Sale Manager, is Aurora, Illinois 68511.

AN IDEAL PLACE TO BUY
FOR THOSE WHO KNOW
AND APPRECIATE
RICH, IMPORTED
BLOODLINES

This sale will provide one of the really good places to buy choice seed stock during the Spring sale season. The cattle have been drawn from two of the strongest herds of the breed and are backed by men who hold the highest respect of the industry. It has been a great pleasure to work with the owners in planning this sale because each agreed that they wanted to sell only the kind they would gladly accept themselves as replacements in their own herds. As a result of such co-operation, a wonderfully strong offering has been possible.

I heartily recommend this sale as a place for newcomers to buy foundation animals that are certain to perform properly and as a place for well established breeders to secure outstanding replacements. I am sure all persons who attend the sale will agree that the men who produced these cattle are doing a wonderful job for the breed.

HAL LONGLEY
of The Shorthorn World

Twenty-eight head of the cattle in this sale come from the Willow Lee herd, owned by House & Benroth, a herd that has few equals for the performance of its productions both in the show ring and in the herds of those who have bought them. The owners may well feel proud of the cattle they are selling because not only are they individuals of correct type and high quality but also they are bred to carry on.

Twenty-four head come from the Greenwood herd, one of the best sources of supply in North America for choice individuals of richest imported breeding. During the past years, the owner, David S. Graham, has obtained all of his replacement females in Scotland until the herd today is made up almost in its entirety of imported females. The greatest herds have been patronized, and daughters of the most noted Scottish sires have been secured. It should be noted that these females have been bought to KEEP. None have been bought for speculative purposes. The produce is offered in this sale.

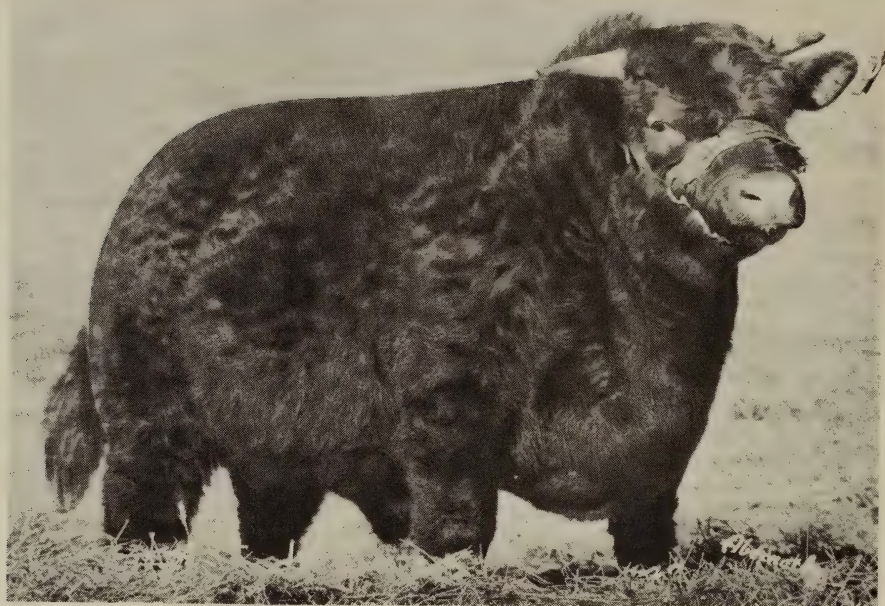

Here are four of the Polled Shorthorn heifers that Willow Lee is offering for sale. From left to right they are: Castle Hill Roan P x (Lot 23), L K Duchess Gloster x (Lot 24), Willow Lee Beauty x (Lot 25), and Oakshade Clipper 37th x (Lot 26). Castle Hill Roan Lady P x will sell with a great bull calf at foot sired by the International grand champion Creekland Lancer x.

SPECIAL NOTE TO POLLED SHORTHORN BREEDERS . . .

Many of you are buying top horned specimens of the Shorthorn breed in order to improve the quality and character of your Polled Shorthorns. If you are planning to attend the Oakwood Polled Shorthorn Sale on May 12th and the Ohio Polled Shorthorn Breeders' Sale on the evening of that day, we urge you to stay over an extra day to attend the Willow Lee-Greenwood Sale. When you see what we are accomplishing through the matings of royally bred Scotch females with such prepotent sires as Uppermill Wanderer, Greenwood Bulldozer, Kair Sovereign Count, Greenwood Bombardier, Willow Lee Wonder 17th, Kirkton Masterman and Lawton Benefactor, we know you will feel that this blood will provide you with seed that will result in better Polled Shorthorns. Whether you buy or not, you will be most welcome. The three sales are within 40 miles of one another. As a special attraction Willow Lee will sell six choice Polled Shorthorn heifers bred to their great herd bulls.

WILLOW LEE WONDER 17th -- Junior herd bull at Willow Lee Farms, had a very successful show record. He was grand champion bull at the 1953 Ohio State Show. He won his class at the Ohio State Fair and was a member of the winning junior get-of-sire the same year at the Internat'l (1953). In 1954 he was grand champion bull at the Michigan State Fair and reserve champion bull at the Eastern National Show at Baltimore. He is proving to be a great sire for us. One of his first calves was sold to Penn State College as a herd bull.

KIRKTON MASTERMAN - Line-bred in the blood of the noted Kirkton Baronet, here is a truly great breeding bull. His calves were exhibited for the first time at 1957 shows. His junior "get" stood second at the Ohio and Michigan State Fairs and were among the tops at the Pennsylvania and Eastern National Shows. One of his daughters was reserve grand champion at the Michigan State Fair, won her class in the sale show at Chicago and sold in the International Sale at \$1,050 to Fred Smalstig of Pittsburgh. Three daughters and one son are selling in this sale, and many of the sale females are bred to him.

WILLOW LEE BENEFACITOR 8th - Here is the bull we have elected to retain for herd service, and we have good reasons for so doing. He has inherited the bone, substance, width, depth and character of his famous sire. His imported dam, a daughter of Drynie Conquest, is one of the greatest cows of the breed. Willow Lee Benefactor 8th stood third in class at the Pennsylvania Show and the Eastern National when only eight months old. We have great faith in him.

WILLOW LEE ENSIGN (Lot 1)

and Here are Two Other Famous Champions out of the Same Dam

Left – WILLOW LEE FAVORITE 2nd, many times a grand champion and a first prize winner at the International as a calf. He was purchased by Kermit Hamaker & Son of Michigan at \$2,250, and proved a top sire. Out of the same dam as Lot 1 in this sale.

Right – WILLOW LEE BROADHOOKS 3rd famous champion produced in the Willow Lee herd. She was reserve champion female at the National Shorthorn Show held in connection with the 1949 American Royal Show in Kansas City. She was purchased by Irl Daffin of Pennsylvania at \$1,500. She is out of the same dam as Lot 1 in this sale.

Willow Lee Ensign The best young herd bull prospect offered from Willow Lee Farms and probably the safest from the standpoint of his pedigree. His sire, Willow Lee Wonder 17th, was grand champion bull at the 1953 Ohio State Show, a first prize winner at the Ohio State Fair, and a member of the winning junior get-of-sire and first prize pair of bulls at the International that year. He returned in 1954 to win grand championship at the Michigan State Fair and reserve grand championship at the Eastern National Show in Baltimore. The dam of Willow Lee Ensign, Broadhooks Maiden 10th, has produced many great calves. Her first was Willow Lee Favorite 2nd that we showed to the grand championship at the Michigan State Fair and the reserve grand championship at Baltimore. He won his class at the International and sold in the International sale at \$2,250 to Kermit Hamaker & Son in Michigan. Her next calf was the heifer Willow Lee Broadhooks 3rd that was never defeated as a senior calf and was reserve grand champion at the National Show in Kansas City. She won her class at the International and sold to Mr. I. A. Daffin in Pennsylvania for \$1,500. Her next calf sold to Robert Tudor in the International sale at \$610. Following this she produced a bull that went to Charles Meacham of Kentucky for \$1,000. Another calf, WL Wonder 15th, went to Mr. Shockman, St. Marys, Ohio, and proved to be a great sire. Herman Purdy at one time made the statement that this cow, Broadhooks Maiden 10th, was the most perfect Shorthorn cow that he had ever seen. Backed by such performance, Willow Lee Ensign simply can't miss being a great sire. Although he is short of age to bring his true value, we are certain that the good breeders at our sale ring will recognize the merit in this calf.

WILLOW LEE CONQUEST - This bull has been used heavily in the Hoewischer herd before being offered for sale, and anyone who needs a bull ready for heavy duty, that has been extremely fertile, should take a look. It should be noted that he is a half-brother out of the same dam as Willow Lee Benefactor 8th, junior herd bull at Willow Lee Farms. An old Scotsman once told my dad that a good sire had to have a good mother and then he remarked, "You never saw a boy amount to a damn unless he had a good mother." I am sure that the mother of this bull is the kind of a cow that anyone would like to have for the dam of his herd bull. We also used her first son, Drynie Battleship, and he proved to be a very prepotent sire. Unfortunately, Conquest had his horns badly damaged with weights but the features of his head otherwise are very good. -- --Bill Hoewischer

A Few Reasons why You may Buy with Confidence in this Sale

Extreme precautions are taken to guard the health of Greenwood and Willow Lee productions. Neither owner believes in the high fitting of sale cattle. The cattle in this sale are in moderate flesh, exactly the right condition to perform properly for their new owners.

The Willow Lee herd is federally accredited for tuberculosis and Bang's Certified. Calfhood vaccination is practiced regularly.

The Greenwood herd is T.B. Accredited and tested regularly for Bang's. Calfhood vaccination is practiced regularly. As a measure of precaution, all Greenwood sale cattle have been tested for Johne's Disease and have been innoculated against leptospirosis.

Cattle from the Willow Lee and Greenwood herds have been sold to all parts of the United States and Canada, always performing properly for their new owners.

Look through all the catalogs of auctions to be held this Spring and you will not find richer breeding than is offered in this sale.

The clerk of this sale will be Harvey Auld, Lagonda National Bank, of Springfield, Ohio.

CASTLE HILL ROAN LADY P x - This is a heifer we would have preferred to keep but we wanted to consign a few of our top polled heifers to show what we are doing with Polled Shorthorns. On March 17th she dropped a roan bull calf sired by the International grand champion Creekland Lancer x. This calf is absolutely outstanding, with plenty of bone, a grand head, short coupled and the look of a real herd bull prospect. This cow and her calf should make a good investment.

YOU'LL FIND THE RICHEST OF IMPORTED BLOOD AT GREENWOOD

The Greenwood Herd, one of the strongest in America, is made up entirely of imported cows and their daughters. Here are a few of them. The Greenwood consignment to this sale is made up of calves from such cows as these.

Note the good heads and excellent conformation.

The charm of the Greenwood home, erected in 1852, has long been shared with visitors to the farm.

The Best by Test

*The oldest herd in America
and one of the finest.*

Here is Greenwood Bombardier with a few of the great imported cows in the Greenwood Herd. You can be SURE if you buy the Greenwood kind.

THE RECORDS THAT INTEREST US MOST AT GREENWOOD FARMS

Sure, we're interested in show ring records and Greenwood productions have piled up an enviable collection . . . but the records that interest us most are the records that show how our customers are doing. Numerous pictures in this catalog give a slight hint of the satisfaction that has come to customers through their purchases of Greenwood calves. There's a long list of others . . . like the Greenwood Bessie heifer bought many years ago by Edellyn Farms that produced 14 calves each of which sold for much more money than Edellyn paid for the dam . . . like the bull Greenwood Contractor bought by Vern Slonaker that won second prize at the International for him within 60 days after his purchase . . . like the Greenwood Secret heifer bought by Acadia Farms at \$400 whose first calf brought \$825. There are many more examples and they all make us happy.

Why are Greenwood Shorthorns so consistently profitable? Because Greenwood cattle have size and bone without long legs . . . width, depth and substance without any tendency toward coarseness . . . thick flesh without rough flesh. To sum it all up . . . the things that are bred into Greenwood cattle are things that will breed on for new owners. That's why Greenwood customers are happy . . . and we're happy too.

A FEW OF THE 'GREENWOOD GREATS''

Right -

GREENWOOD BROADSIDE

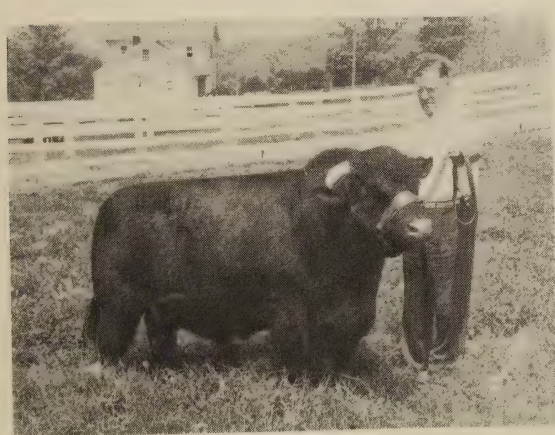

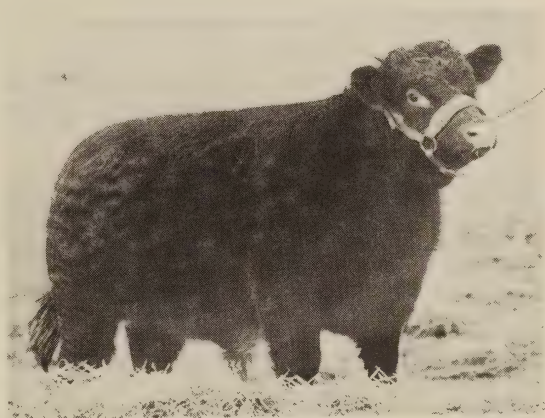

Champion International Congress Sale bull in 1952. Purchased by Daniel Winter and George Lighthall in South Dakota where he sired many champions and sale-toppers.

Right -

GREENWOOD CRAFTSMAN

First prize junior bull calf at the 1952 International. Sold to Howard Hildreth & Son, Estherville, Iowa. The calves by him in the Hildreth Sale were so sensational that more buyers were attracted to Greenwood. Greenwood Craftsman is out of the same dam as Lot 50 in this sale.

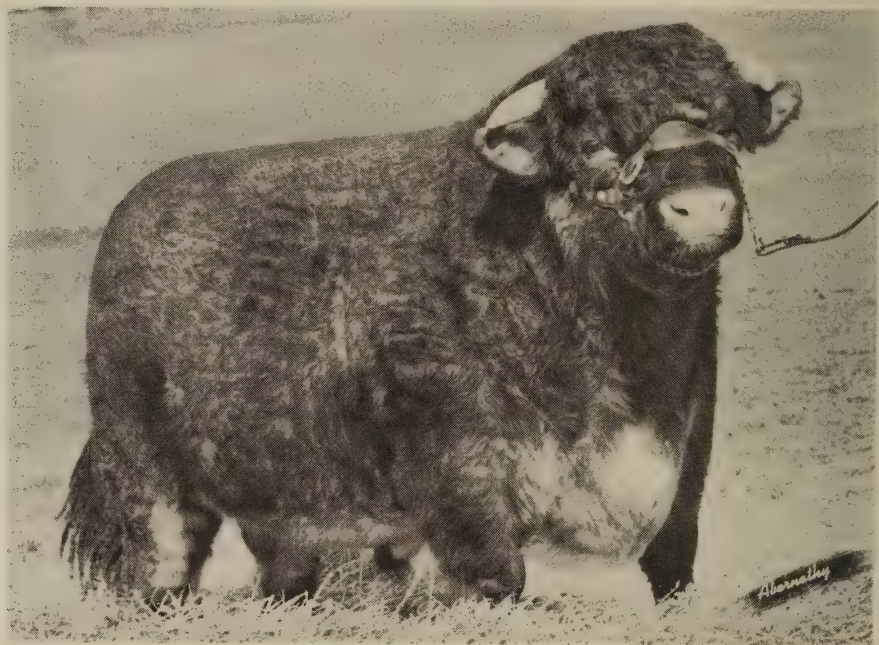

Left -

GREENWOOD SOUVENIR

Top selling bull at the 1949 International Congress. The buyer was Carl H. Stander of Ohio. In his Clay Hills herd this bull annually sired calves that won many blue and purple ribbons. A typical Greenwood production. Our own herd bull, Greenwood Bombardier, is a full brother to Greenwood Souvenir.

GREENWOOD BULLDOZER - Perhaps we were lucky or maybe we were smart. We knew this Augusta family because it was developed here at Greenwood. Accordingly, when one of them was offered in an Edellyn Sale carrying the service of the noted Beaufort Bulldozer, we bought her. Greenwood Bulldozer was the result of this mating. Study his pictures on the opposite page and you will agree that the BEST son of Beaufort Bulldozer is right here at Greenwood Farms. Many of the heifers in this sale are bred to him.

UPPERMILL WANDERER - This great son of Uppermill Metaphor has improved the Greenwood Herd and the breed in general. His calves have won a long list of high honors in the American show ring and have always been among the tops whenever exposed for sale. Among his many excellent calves is Greenwood Craftsman, the great bull that won first prize in a class of 22 great junior bull calves at the 1952 International and that was a member of the first prize pair of calves at the same show. Greenwood Craftsman was purchased in our 1953 sale by Howard Hildreth & Son, Estherville, Iowa, at the top price of \$2750. Two bulls and twelve females sired by Uppermill Wanderer will sell in this sale. Although he is still very active, he is no longer a young bull and these are the last of his daughters we expect to offer.

GREENWOOD ROTHES QUEEN - Just about the best tribe of cattle we have had. In 1953 Hi Ho Farms bought a maternal sister for \$2,500, a show heifer that was a member of our undefeated pair of calves in 1952. At the same sale a full brother sold for \$625.00 to West Bros., Paint Lick, Kentucky. In our 1954 sale Louada Farms, Peterboro, purchased Greenwood Rother Queen 2nd at \$1,400 and she was the dam of their reserve junior champion bull at the 1957 International. In our 1957 State Sale, a full sister was purchased by Kickapoo Farms of Wisconsin. The heifer we are selling in this sale is a full sister to the two last mentioned heifers and will be the last of this family to leave Greenwood. She sells open.

THIS SALE CONTAINS THE PRODUCTIONS FROM TWO

(Left) Greenwood Roth's Queen, a member of the undefeated pair of calves in 1952, including the International. She was purchased by Hi Ho Farm, Phoenix, Maryland, at \$2,500, top price for females in our 1953 sale. Lot 33 in this sale is out of the same dam.

GREENWOOD PAULINE 12th -- A daughter of Uppermill Wanderer and out of the great imported cow Strathallan Pauline 10th by Cal. Knockout. Please note the sires in this pedigree. All have been famous in the Scottish herds where they were used. Her first calf brought \$1,000 and another heifer was purchased in our 1957 Ohio State Sale by Vaughn Moore of Iowa. She has been mated to Greenwood Bulldozer.

GREENWOOD PAULINE 16th -- We don't like to let her go but it is necessary to fill out our consignment. We feel that she has a perfect pedigree. She is one of the first daughters of Kair Sovereign Count to be offered at auction, and her dam is the famous imported cow Strathallan Pauline 10th by Calrossie Knockout. We have sold several calves from this same dam and they have averaged nearly \$1,000. These are the money-makers. Due to her short age she will not sell high and we strongly advise that you establish this family in your herd.

PRINCESS DOREEN 13th - This two-year-old daughter of Greenwood Bombardier comes from one of the best families at Greenwood. The late Frank Harding imported Princess Doreen by Cruggleton Perfect for us in 1944. Hollis Hanson paid us \$1,000 for the only heifer we offered from the old cow. We had the misfortune of losing this grand old cow after she produced her fourth calf. We have sold members of this family to Willow Lee Farms, Oakwood Farms and other good breeders. She was bred October 17, 1957, to Greenwood Bulldozer.

GREENWOOD AUGUSTA 13th -- One of the few heifers out of Imp. Augusta Rosary, our last daughter of the famous Calrossie Souvenir. The dam was produced in the great Bapton herd owned by Walter Biggar & Son. This heifer's sire, Greenwood Bombardier, was a full brother to the noted Greenwood Souvenir. This heifer was bred Oct. 21 to Greenwood Bulldozer.

Standard Guarantee

OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be give by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves shall be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calhhood Vaccination, and all have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
